## CELEBRATING POSSIBILITIES

*Written by Norma Rushing*

September has arrived and most of you have headed back to the classroom for the 2020-2021 school year. I have heard the frustration from teachers all across the state about whether you would teach virtually or in person, and whether you would work from home or in your classroom. Will you be quarantined or will you teach if you have been exposed to the virus? My heartfelt feelings and prayers go out to each one of you. I just pray that you and your students remain safe.

COVID has hit our Georgia Alpha Delta Kappa family. This past week, Lisa Fore (Golden Isles Gamma Nu) lost her 68 year old mother to it and Lori Carnine (Albany Alpha Rho) lost her mother-in-law. Shelby Clark, Debbie Clark's daughter in law, a member of Alpha Beta Golden Isles has tested

positive for COVID. Eleanor Ivester, Gamma Delta in Athen's District also has COVID. I am sure there have been more touched personally with relatives or friends that I do not know about. If you are on Facebook, join the GA Alpha Delta Kappa page or request to be my friend so I can be kept aware of your celebrations and concerns.

I want to urge chapters to meet via Zoom. Schedule your normal social time so members can catch up with each other. Some chapters plan to meet in person in open air spaces. If you do meet in person, be sure to wear masks and stay 6 feet apart. I do not want any of our members placed in danger.

Albany, Golden Isles, and Heart of Georgia had their Officers Training via Zoom. All three meetings were excellent with the officers breaking out into chat rooms. Since May 2020, members may join meetings virtually if they physically can not attend.

#### GOAL I: MEMBERSHIP

Celebrating Membership: On March 13, 1954, Alpha Chapter was formed with 27 members. Four years later at the second National Convention in Kansas City, Georgia had grown to 24 chapters. Membership continued to grow reaching 1200 in the late 60's. In 1974, we had 64 chapters and 1484 members and by 1980 there were 69 chapters and 2,040 members. A membership high of 2,400 members was reached in 1988.

Since that time and with the current changing times we have dropped in membership to begin this biennium with 1,705 members. During the 2018-2020 biennium 77 new members were initiated.

GA AΔK has 72 chapters. We have some work to do but let's *celebrate our rich heritage and past leaders.*

In July, your Executive Board had a Zoom planning retreat to establish goals for this biennium. Membership was our first priority. The goals are:

- To increase Georgia's membership by 75 members.
  - The method to do this is to provide quality and attractive programs
  - To promote community service activities which speak to the younger generations, led by the Chapter Altruism Chairman
  - Use the Membership Development Manual and Kappa for ideas for recruitment and reinstatements.
- Retain Georgia AΔK members
  - To provide quality and attractive programming, led by Chapter Presidents and President's Elect
  - To promote community service to retain members, led by the Altruism Chairman
  - To recognize and encourage members by highlighting members at meetings and in newsletters.
  - To use effective communication skills.
- Add 2 new chapters in geographic areas where potential members are located.
- Start 2 new collegiate chapters.
  - Locate colleges/universities with teacher education programs that have AΔK members on staff.
  - Evaluate district members' and staff members' willingness to support Collegiate Chapters.
  - The state membership team participated in 4 Zoom meetings discussing the procedure to start collegiate chapters. We will be participating in a monthly meeting led by the North Central Region.
- Attendance
  - To encourage attendance at chapter meetings by listening to members' needs. Volunteer to drive a member, make calls, write letters, and use electronic communication.

## MONEY TALK

*with Terri Thompson, State Treasurer*

Welcome to "Virtual Treasurer Officer Training" for this biennium. As State Treasurer, I have prepared a Powerpoint to accompany the Training Video explaining the duties and responsibilities of a Treasurer. Both can be found on our Georgia Website -

[www.gaalphadeltakappa.org](http://www.gaalphadeltakappa.org).

Follow the following directions: Click on Officers -> Chapter Officers -> Chapter Treasurers. Same instructions for District Treasurers except you click on District Officers-> District Treasurer. You will see on the Chapter or District Treasurer page(s) several things - a You Tube Training Video, a Powerpoint to accompany the

video and all Forms needed for this year.

**Chapter and District Treasurers, when you have viewed the video please email me so I may check you off my training list.**

This will also expedite our time together at the Fall District Virtual Meetings where I can give some updates and you are able to ask questions that may arise.

I look forward to the "Possibilities" we will share this biennium.

## GET TO KNOW YOUR EXECUTIVE BOARD HISTORIAN

*Text and photos by Diane Phillips*

Greetings from Rabun County in the North Georgia mountains! My name is Diane Phillips and I am thrilled to be serving as State Historian during this biennium! I have been a blessed member of the Beta Psi chapter for the past five years and am grateful to the Lord for bringing me into the sweet sisterhood of Alpha Delta Kappa after I lost my only sister to cancer in 2007. I have been a sixth grade math and social studies teacher for the last twelve

years, but have taught pre-k to college students during my 25+ years in teaching. My retired Marine husband, Joe, and I have been married for 34 years and we have two grown daughters and a precious four year old grand-daughter! In my spare time I enjoy researching tech tools to use in my classroom and watching mysteries on television. I wish each chapter all the best as you begin this new biennium and hopefully we can all be together soon!

## FRATERNITY ED FUN

*Text by Jan McNeill*

Happy Back-to-School Month to all our active educators and administrators! Since most chapters are meeting virtually for a while, be sure to use both a little extra creativity and more resources to plan your Frat Ed activities. Modifications in games and skits will be needed. Activity: Ask 3-5 questions each month (or whenever) concerning Alpha Delta Kappa knowledge.

Suggestion: Keep a list of your members handy with a running count of each sister's correct answers until March/April of 2021 OR 2022. Then name your chapter's "FRAT ED PHENOM" - with a little prize like notecards! Here are some questions, with answers, to get you started this month:

\*1. When was Alpha Delta Kappa founded? (HINT: We just celebrated our 73rd anniversary) [August 13, 1947] \*2. Where is our International Headquarters located? {Kansas City, MO} \*3. What is the name of our magazine? [ KAPPAN] \*4. How often do we have an International Convention? (Every two years/every odd-numbered year] \*5. Who is our 2019-21 International President? [Judy Ganzert] Did YOU know these five facts? GOOD LUCK! Remember to check the gaalphadeltakappa.org and alphadeltakappa.org websites for all kinds of activities, ideas, facts, and resources that you can use each month. Have fun!!!

## GULF REGIONAL ALTRUISTIC PROJECT

*with Bonnie Devereaux, State Altruism Chairman*

### Faceless Girls Need Our Help

We read or hear daily about the growing problem of sex trafficking here in the United States. Who among us ever thought this would become such a national issue and such a threat to our young girls? What can we do? The House of Hope in the Golden Isles District has been helping these girls. They now have six girls but are raising funds so they may add two more. They are making additions to their facilities and upgrading areas to increase their numbers. The services they provide include much more than a place to stay and food to eat. These girls get a safe place to stay, food to eat and a room of their own. They also help them heal emotionally so they can move back into the world. This level of care is not cheap and is a long process. As our Day of Celebration Altruistic Project, we have the opportunity to help House of Hope do their work. We are asking you to send your check written to House of Hope to Norma Rushing, 2937 LaVista Way, Decatur, GA 30033. Please send your check today so it will arrive in time! We will be presenting our check and the Omega Art piece to them as we celebrate together virtually. If you prefer to give to them through Amazon, they have a wish list from which you may choose by clicking this link:

If you need to make changes to your chapter directory on the International website, the chapter president, the chapter treasurer, or the chapter membership chairman have the ability to do so.

If you need to change the status of a chapter member, such as changing from Not Omega to Omega, this is where it is done.

**Remember** that if you have a chapter sister who joins the Omega Chapter, contact me and your district chairman as well as changing her status on the International site.

Most of you were quite busy in August putting the finishing touches on your annual planning and, of course, submitting your CNAs. As of August 29th, we were **100%**. CPs & MCs ROCK! 🎉 Thank you for sharing your recruitment efforts, chapter strengths and challenges. I will be sharing ideas collected from among Georgia chapters and the Gulf Region to address your needs and will be sending those out via email.

As a reminder from your training video and emails, Headquarters is no longer using the H-133. **The form you will use for all initiates going forward is the H-103.** The form can be found under chapter forms on the membership

page, but can also be accessed at the following:  
<https://tinyurl.com/y69x7ypx>. The form for reinstatements can also be accessed at the following link:  
<https://tinyurl.com/y2bhjr9r>. Do become familiar with all of the documents on International's Membership page--they contain a fountain of information that you will need. Also, please share the monthly Chapter Membership Cornerstone with your chapter!

Please share this information with your Chapter Membership Chairman and Chapter President. Ask them to read it at their September meeting.

## GET TO KNOW YOUR EXECUTIVE BOARD STATE CHAPLAIN SHARON ROREX

Hello! I am Sharon and I grew up in Northwest Alabama and graduated in 1976 from the University of North Alabama with a degree in Art. After I married, I added teacher certification to my degree. I taught for 19 years at LaFayette Middle School. I also taught at Lakeview Middle School for my remaining years. I taught Art, Math, Language Arts, and Life Science at these schools. I retired from full-time teaching in 2008. After retirement, I studied painting and was a substitute teacher for 7 years.

I joined the Alpha Delta Chapter of Georgia Alpha Delta Kappa in 1998

and I have served my chapter as historian, treasurer, and president, each for several biennia. I served as district treasurer and chair-elect, chairman, and immediate past chair of the Dalton District. I have been married 44 years and have two grown children, a son and a daughter. They are both married to wonderful spouses!

My hobbies include painting, sewing, cooking, and reading. I also sing and play my flute at church.

I am honored to serve as State Chaplain of Georgia Alpha Delta Kappa!

## ALPHA DELTA KAPPA MONTH

*Text and Photos by Lynn Malloy Fuller*

2020 will be the most challenging time Alpha Delta Kappa Month has ever seen! Knowing what talented and intuitive sisters we have in each area of our state, it makes me believe we can make this a memorable year in what we can accomplish to help others during the month of October. To each of you, I send two quotes from "The Help": "You is smart, you is kind, you is important...All I'm saying is, kindness don't have no boundaries!" Remember these in all you do, by yourself or in your chapter as you make plans for Alpha Delta Kappa Month.

Because of the generosity and participation of each Georgia chapter, I was able to compile a fantastic list of the Publicity, Community Projects, Recognition of Educators and Special Functions for the state of Georgia. There were many similar activities that bind us together and show a cohesiveness across the state. These activities gave a multitude of choices of "things to do" in each category. If you would like a copy for your chapter, please email me or your district chairman. I hope these ideas will "light up" chapters to continue to "glow" across the state as preparations are made in September and carried out in October. I'm certainly looking for a 100% state endeavor again in 2020!

Wonderful sisters....THANK YOU!!!

### **FINAL REMINDER FOR PROPOSALS!**

Proposals for the next World Understanding Project are being accepted through October 1, 2020. I'm sure there are Georgia sisters who have great ideas for the next project, so here's a reminder of what to do. Go to [alphadeltakappa.org](http://alphadeltakappa.org), then click on the link "Foundation". Click on "World Understanding", then "International World Understanding Projects-new timeline update", then "Guidelines". This is a pdf that you follow to submit a proposal. There are very specific guidelines to follow, then submissions must be done electronically. You must describe how the project will impact women/children's issues and the community. After the International World Understanding Committee has narrowed down the list; all Alpha Delta Kappa sisters will be allowed to vote on their choice. Online voting will take place in June 2021, with the winning project announced at International Convention in Austin, Texas. World Understanding is part of our mission in Alpha Delta Kappa; so let's put our thoughts in action by submitting proposals that will benefit women/children/education around the world.

- The Georgia Officers' Training Tool for all chapter and district officers is on the GA AΔK website at [www.gaalphadeltakappa.org](http://www.gaalphadeltakappa.org). All officers should view their officer's training tool before your district meeting so you can better participate in officer training.
- The 2020 Chapter Officer E-Packet will be emailed via eblast (AΔK News) to all members and is tentatively scheduled for September 1, 2020. Form H-138, Member Payment Record (chapter's billing form) will be sent via email to each Chapter Treasurer and Chapter President and is tentatively scheduled for September 2-9, 2020. The supporting treasurer's documents are to be included in the September 1, 2020 eblast.
- The GA 101 is due on October 1. The GA 101 lists the chapter's meeting dates, programs, and fraternity education for 2020-2021. Be sure to highlight your C2O (Connecting 2 Others) altruism project/program and World Understanding Program or Fraternity Education.
- Building Leaders of Tomorrow - AΔK International is accepting applications for members with less than 5 years membership and mentors for a Leadership Academy with 40 hours of activities from April 2021- July 2022. The deadline for applications is Oct. 15. Read all about it on the International website.
- I am sure as a teacher you could use a little extra money. Apply for Classroom Grants through Sept. 15 on the International Website.
- Some of you may have never signed on to the International website or maybe it has been a long time since you have visited it. The ID is your last name then your membership number found on your "Kappan" or your chapter treasurer has it. ex RUSHING56789. The password is ADK2016. We have a Facebook group just for the Georgia sisters. This group is private so we can share photos and information. You can search for Georgia Alpha Delta Kappa to find our page. Since it is a private group, you will ask to join the group. I will verify that you are an Alpha Delta Kappa member and then approve you to join the group. This is a great spot to share pictures from your chapter, district, or state events. I love that we can connect through this group from all around the state.

## SCHOLARSHIPS & GRANTS

*Text and photos by VP Scholarship Shannon Cole*

Don't forget the deadline to submit for the Classroom Grant is September 15th, just 15 days away. If this grant is not particularly one that fits your needs, contemplate the other scholarships and grants available including Georgia's Past State Presidents' Scholarship. The Past Presidents' Scholarship Fund was created for the purpose of assisting members in attending personal or professional continuing education programs outside of Alpha Delta Kappa events. Remember this scholarship was designed specifically for attending non-Alpha Delta Kappa sponsored conferences, conventions, seminars and workshops and may not be used for college course credit or personal travel. Deadline for the Past President's Scholarship is February 1st. February may seem like a long time from now, but that just gives you plenty of time to contemplate applying for it.

Between the Classroom Grant deadline on Sept. 15th and the Past President's Scholarship deadline on Feb. 1st, there are also many scholarships and grants with deadlines in October and November. Be sure to look at the Scholarship & Grants link under the Membership tab on the GA Alpha Delta Kappa website for more details including deadlines for applications. The Regional Professional Development mini grants, the Innovation Grant, and Fine Arts Grant are just three examples of grants and scholarships with deadlines coming up.

Also I have received a scrapbook with images and bios for past GA Alpha Delta Kappa winners, so be watching for who the lucky featured past scholarship recipient will be featured next month. I still encourage you to send in your own photo with the description of what scholarship/grant you received. The more information have, the better.

## THE LONGEST DAY

*Text by AΔK Immediate Past International President Sue Pelchat,  
Foundation Chairman and Ann Marie Brown, AΔK Foundation Vice  
Chairman.*

Dear Sisters in Altruism,

While many Global Teams for the Alzheimer's Association suffered because of the pandemic, Alpha Delta Kappa sisters were the only team to reach their goal. In fact, we exceeded our goal, raising 262% of the \$50,000 pledged. Our total donations as of this message (8/8/20) are \$130,788.12. What can we say but thank you.

Thank you for your commitment.

Thank you for your altruistic hearts.

Thank you for understanding the plight of people with Alzheimer's and their caregivers.

Thank you for your outstanding success working to rid the world of Alzheimer's disease.

Thank you for answering the call.

Visit [alz.org/adk](http://alz.org/adk) to see how each team fared. August 30th is the last day to send in donations for this year's The Longest Day campaign.

With love and appreciation,

Sue Pelchat, AΔK Foundation Chairman

Ann Marie Brown, AΔK Foundation Vice Chairman

## GEORGIA ALPHA DELTA KAPPA WEBSITE UPDATE

*Text by Dawn Hudson, Telecommunications Chair*

Hopefully by now, many of our sisters have had time to go online and look at our newly designed website. If not, please take the time to do so by going to <http://www.gaalphadeltakappa.org>.

Congratulations to Marlena Spence of chapter Beta Gamma whose attention to detail and persistence meant she found the "hidden" violet photo from last month's newsletter on the website on the Archived Events and Documents page under "Library!" She was sent a gift card.

At this time, you may sign into the website as a member on your own by clicking "Register." Once the International database is updated, we will import all the sisters in Georgia into the Georgia Database so you will not have to go through an approval process. Currently, there is only one locked page on our entire website and it contains the email addresses and phone numbers of our Executive Board.

Future contests will be coming soon based on your photo uploads into the membership section of the website.
