## CELEBRATING POSSIBILITIES

*Written by Norma Rushing*

If this was a normal year in Georgia Alpha Delta Kappa, we would be heading to the Golden Isles District for their spring district meeting. I always enjoy seeing the sights of spring at that meeting - jonquils, iris, tulips and azaleas. Then I know that spring is on the way to north Georgia.

If you have not seen the hillside of daffodils at Gibbs Garden you have missed a stunning trip. I plan to go again with one of the Marietta District Chapters this year. I am impatiently waiting until spring is definitely in the air.

Our four founders must have also been thinking of spring when they were selecting the pillars of our organization - Alpha, Delta (Demeter), and Kappa (Kore). Both Demeter and Kore were goddesses who embraced spring, new life and new beginnings. Delta builds clear minds. Even in this time of COVID, we have wonderful teachers across Georgia teaching virtually and

in person to ensure their students do not have learning gaps. Kappa (Kore) is the celebration of Earth and Spring. Many of us have the small wild violets and periwinkle appearing in our lawns and gardens. These remind us of spring and the opportunity to shape and build the leaders of tomorrow. Teachers have an awesome responsibility, but we are up for the task. As our Georgia AΔK song says, "Kappa is youth's Springtime." We will continue to guide young lives and build moral standards for leaders yet to be. Just as Vivian Ervin, Tau Chapter said, "in these changing days." Our GA AΔK song is full of wisdom.

In these changing times, chapters are continuing to make a difference in their communities. I am amazed as I read the chapter newsletters and minutes of all the ways you have found to be seen and do good. Last summer the Georgia Executive Board selected these goals for Altruism for our state, districts and chapters:

1. International World Understanding Project.
  - a. We asked each chapter to add at least one World Understanding program or Fraternity Education to their chapter meetings.
2. C2O Project (Connecting to Others)
  - a. We have asked each state, district and chapter to work with the community to offer help. The C2O Project for Fun Day will be "Books Across Georgia" (BAG). Again, I am pleased with all the different ways sisters are connecting with the community in these COVID times.
3. Ronald McDonald House
  - a. The Executive Board is encouraging chapters to work with the Ronald McDonald House, our State Altruism Project.
4. Participate in International Altruism Projects.
  - a. St. Jude's - give monetary gifts and visit St Jude's when it becomes possible.
  - b. Support and participate in Alzheimer's activities
    - i. The Longest Day
    - ii. Walk to End Alzheimer's

**Sarah Garrett  
1934-2021**

**Past State Georgia President 1996-1998; Gulf Region IVP 2002-2003**

Sarah was born on April 24, 1934 in rural Harnett County, North Carolina to Hal B. Beasley and Madie Jane Peacock Beasley. She graduated from Cleveland High School in 1951 and married the love of her life, Sam Garrett on November 10th of that year. Thus began a life of adventure and achievements. In early 1959 the family was relocated to Ft. Benning, Georgia where Sarah was to continue her life as a homemaker and pursue her dream of one day becoming an educator. In 1965 Sarah began work as a school secretary at the original Midland Elementary School. She received her education degree in 1971. She was hired by Muscogee County School District as a second grade teacher where she remained for 7 years. Throughout these years Sarah continued her education and graduated with 2 Master of Education degrees, as well as a degree as a Reading Specialist. From that second grade classroom she became a seventh grade counselor. Never quite content to sit back and let life roll along she pursued and graduated with a 6 year Specialist degree in Administration. And after another 7 years she became the principal of Forrest Road Elementary. It was a crowning achievement in her life and one she relished. Retiring in 1995 she devoted her life to her family, church and her beloved Alpha Delta Kappa. Having joined the Alpha Chi chapter a number of years earlier she became chapter president, district president, and was elected State President, only the second educator from Columbus to achieve that distinction. Following her term as State President she went on to become a Regional Vice President.

### **GEORGIA FUN DAY ALTRUISTIC PROJECT**

**BAG** is happening from Chickamauga to Brunswick, from Dillard to Albany, from Columbus to Savannah, and beyond!

#### **Don't know what to do in your area?**

Here are some ways to find groups of children who would love to have books to keep: pre-K programs, newborns/siblings in the local hospital, safe haven homes for moms and children, places that provide free meals, children's hospitals, children's homes, Ronald McDonald Houses, schools who may identify children who would benefit from books in their homes.

#### **New Information:**

Because the enthusiasm for this project is so great, we are going to increase a chapter's opportunity of winning if they are working hard. For every ten books a chapter gives away, your chapter's name will be put in the drawing one time for the \$100.00 Scholarship. So, if your chapter collects 50 books, your chapter's name will be placed in the drawing five times, 100 books – ten times, 500 books – 50 times. This way, the harder your chapter works, the greater your chapter's opportunity to receive the scholarship.

Send your pictures with a short description of the project to your district chairman by her deadline. Part of the FUN at Fun Day will be to see how many books we have shared and find out which chapter wins the \$100 check for their Scholarship Fund. BE THERE!

**3/15 – 3/15 – 3/15 – 3/15 – 3/15 – 3/15 – 3/15 – 3/15 – 3/15 – 3/15 – 3/15**

### **2021 CHAPTER ALTRUISTIC REPORT**

**Deadline is Monday, March 15**

Some chapters have already sent their report, and it is so gratifying to read what our chapters are doing. Even during this time of COVID, AΔK sisters are still serving!

#### **Easy access to submit your form**

You may directly access the Chapter Altruistic Form by using this link:

<https://form.jotform.com/70814713264151> It takes you directly to the form.

A big thank you to our Chapter Presidents for working with your chapter altruistic chairman, to see that your report is submitted in a timely manner.

Please give her a copy of the email I sent you. Contact me for assistance/questions at [adkbonnie@gmail.com](mailto:adkbonnie@gmail.com) or 706-768-0053 - Bonnie

## FRATERNITY ED FUN

*Text by Jan McNeill*

Happy St. Patrick's Day!! May shamrocks brighten your days!!  
Reminder: Always check the Alpha Delta Kappa International website for Fraternity Education ideas- there are dozens there! Chapter Bylaws and/or Policies and Procedures are due March 15 so why not ask some questions about these documents at a chapter meeting? My Chapter Frat Ed Chair Judy Redmond presented this helpful activity. Write 20 or so questions about these documents on separate little papers - with the answers, of course! Each member takes one or two papers; she reads her question(s) to the group and waits for answer(s). You can have teams. You can keep score for little prizes. OR, you can just let the ladies answer for a fun learning and sharing experience. If your meeting is online, you can read each question OR you can send a few out to other members before the meeting OR your hostess may be able to display questions on the screen! Everyone can add comments as questions are read and discussed. It's a great way to learn or review many facts concerning our documents. Here are two sample Q&A's: (1) What is the official guiding document for every Alpha Delta Kappa chapter? A. The Bylaws of Alpha Delta Kappa, Incorporated; (2) Chapter bylaws may be amended by a \_vote of the members present at a regular business meeting. A. Two-thirds (2/3) Enjoy!!!

During my 28 years as a member of Georgia Alpha Delta Kappa, I have always experienced us as an example of strong and dedicated women educators. We are "full steam ahead" regardless of what we are pursuing, creating, changing, or tackling!

Since 2015, Georgia has shared our passion towards **Ending Alzheimer's and other Dementia** by supporting and participating in **The Longest Day!**

Together, we have made a difference for the over 5.8 million Americans living with this horrific disease. Our AΔK International Global Partnership raised over \$134,800 in 2020. **AMAZING!** I know we can be leaders once again in the fight to **#ENDALZ**.

## DISASTER RELIEF COMMITTEE

*Text by Sara Ratliff, Disaster Relief Chairman*

The Disaster Relief committee works to get assistance out to sisters who experience damage from any disaster. While we pray that no catastrophic events happen, we want to be prepared to help by sending a gift of financial assistance. There have been several sisters from many areas of Georgia as well as others in the Gulf Region who have applied for assistance and received it. Please, if you experience an event, use the application from the GA website to request this assistance. If you are unable to make this request, another sister may make the request on your behalf. The assistance is intended to go to Georgia sisters first but we do want to reach out to sisters in our region with a token love gift for their state to use at their discretion in assisting their sisters. Georgia sisters have been and continue to be generous with their support of this project. We have offered items which sisters may buy tickets for and then we have a drawing at Fun Day and the State Convention. Fund raising has been very different during this pandemic but funds are coming in. Thank you to everyone who has made a contribution and to those who will contribute in the future. It is only one month until we celebrate Fun Day. I check our mail daily and will get your checks to Terri ASAP. Thanks again. You're the best! I am fortunate to be heading up this wonderful committee.

## GET TO KNOW YOUR DALTON DISTRICT CHAIRMAN

*Text by Jennifer Smith*

I am Jennifer Smith, the proud Chairman of our Dalton District. My journey with Alpha Delta Kappa began in 2001 when Susie Dailey nominated me for membership into the the Gamma Beta Chapter. Immediately, my life became richer! My favorite parts of Alpha Delta Kappa are the altruistic and world understanding opportunities. Visiting new cities, states and making new sister friends along the way has been a delightful bonus of membership, as I've travelled to District, State, Regional and International events. I treasure memories of Alpha Delta Kappa trips to Chicago, Salt Lake City, Washington, DC, New Orleans, and more, as well as places in Georgia such as Cherry Log, Blue Ridge, Augusta, Columbus, and Athens. The best part - as united sisters, we always make a positive impact on each place we visit, as well as in our own communities.

My teaching career has been in Speech-Language Pathology. I received Bachelor's and Master's Degrees in Communicative Disorders from the University of Alabama, finishing in 1982. I worked for most of my 33-year career in Walker County, in Northwest Georgia. I retired in 2016 and have since worked as a part-time Speech/Language Pathologist at Chattanooga Valley Elementary School in Flintstone, Georgia.

My hobbies are traveling, going to concerts, reading, and walking. Charity walks such as the Walk to End Alzheimer's are a favorite activity. My home is in Rock Spring, Georgia, where I live with my two rescue dogs, Dallas and Camilla. I am a member of Elizabeth Lee United Methodist Church in Chickamauga, Georgia and have a strong faith in God. I love my family, friends, and my Alpha Delta Kappa sisters!

## WORLD UNDERSTANDING

*Text and photos by Ruth Rennick*

Spring has definitely sprung and no one is happier than me to see the sun and feel the temperatures begin to rise.

Look for the beautiful Blue Morpho butterfly on the cover of your March 2021 *Kappan* magazine. This issue is filled with interesting and informative articles, and as promised; the three proposed World Understanding Projects are explained in greater detail. Make sure you read about each one and discuss them with your chapter members. During the month of June, every Alpha Delta Kappa sister has the opportunity to vote online to select one of these great projects as the 2021-2023 International World Understanding Project. The chosen project will be announced during our International Convention in July. Check the International website for more information and voting guidelines.

I challenge each of you to read your March *Kappan* to find out more about C.H.E.A.R., R.I.S.E., and Sewing Seeds of Hope. (Hint: you'll find the article about page 21 and before page 23.)

A favorite Irish blessing to you: "May your troubles be less and your blessings be more. And nothing but happiness come through your door."

## MEMBERSHIP

*Text and photos by Suzi Bonifay*

Congratulations to those of you who have initiated and reinstated former members during this biennium and to those of you keeping our current members excited and engaged. You are rockin' it. The entire membership team is sending you each a warm hug.

A huge shout out to those of you who participated in one of the new member/reinstatement training zooms. I encourage those of you unable to attend to review the packet distributed and watch the *Keys to Membership* training video that can be found on the Florida AΔK website. One addition to the training--when registering a new initiate on the International's website, **the sponsor's ID # is NOW required**. The number can be found on the *KAPPAN* label or by asking your chapter treasurer. We want to be ever vigilant in protecting directory information.

## SCHOLARSHIPS & GRANTS

*Text and photos by VP Scholarship Shannon Cole*

Happy St. Patrick's Day. May the luck of the Irish be with you. A couple of quick reminders...As mentioned last month, the State Scholarships must be postmarked or faxed no later than March 1. They also can be sent to me via email or text. Just scan it or take a picture of it, make sure you can see all 4 corners, and it is legible. For clarification I mentioned the eligible districts this biennium for the State Scholarship are for 2020-2021, chapters in the Augusta District, and for the second year of the biennium 2021-2022, the chapters in the Athens District are the recipients. Augusta and Athens chapters, I hope you are able to find an heir and a spare applicant in case a chapter in your district is unable to find a candidate. This will allow us to award the maximum number of scholarships possible to your districts. I'm hoping that cleared things up for anyone with lingering questions. If you still have questions, feel free to contact me.

March 1st is also the deadline for the Future Educators Scholarship. See the Scholarships at a Glance and Kaleidoscope forms on the state website for the links to the applications. The spring Regional Professional Development Scholarship deadline is also coming up on April 15th. Good luck should you apply and if you have received any scholarships we are still interested in featuring you in the state newsletter. Just send me an email with your information and an image if you have one. That brings us to this month's "Shout Out" from the Golden Isles District. Alpha Beta's Stacy Blocker received a Foundation Innovation Grant in September. Blocker is a Media Specialist at Langston Chapel Elementary School in Statesboro, GA. She was awarded the grant to help purchase books to stock the school's vending machine giving free books to students. Congratulations!
