CELEBRATING POSSIBILITIES

Written by Norma Rushing

For many of you, summer ended this week. It blows my mind that you have to return so early in the summer. Back in my early days of teaching, the students didn't return until the Tuesday after Labor Day, then it was moved to mid-August. We still did not take a final count to determine if we needed more teachers or lost teachers until after Labor Day. Some students would tell us, "Grandma said school should not start until after Labor Day so I was stayed in the country..." or we could not shop for new clothes until after the first of the month (September). Time and schedules change. My thoughts and prayers go out to all the teachers, counselors, and administrators returning to the brick and mortar school buildings

this fall. Maybe at least you will not be dealing with virtual and in-school teaching at the same time. Diane Phillips, GA Historian, told me she had 4 cameras on her while she was teaching her class last year. I am sure this year will bring social, emotional and learning problems you have never dealt with before. I have observed that some schools are hiring more counselors to help you. As a good Georgian would say, "Bless your pea pickin' hearts!"

Know that you can depend on your Georgia Alpha Delta Kappa Sisters to help you with supplies, volunteering to put up bulletin boards, moral support and treats. A Gamma Epsilon Sister reached out on Facebook to ask her AΔK sisters to help her. Yesterday, Sharon Collins, Gamma Epsilon posted pictures of the retired teachers distributing goody bags to their engaged teachers. Be bold and strong and not shy to ask for help!

From July 5 to 16, 103 Georgia sisters Zoomed in to the attend the 32nd AΔK International Convention. During the first week we were being made Bold and Empowered to take Pathways of Diversity, Learning, Leading, and Sisterhood. The sessions I attended were enriching and informational. I think the one that stands out most to me was a session by the President and President-elect of Alaska. Zoom was a blessing to them because finally they could easily meet as a group. They have active chapters from the North Pole to the Yukon. Groups met almost monthly to keep connected and to do altruism via Zoom. Sometimes we think an hour is a long way to travel but most of their travel would be by plane.

MONEY TALK

with Terri Thompson, State Treasurer

If "Summertime and the Living is Easy" has been your theme for the last few months, Father Time signals for classroom teachers to set their alarm clocks early because they will want to be bright-eyed to greet smiling faces in their classrooms who are ready to begin the new school year. Your State Treasurer sends wishes for a successful school year with No Pandemic. For you retired sisters (like me), it is nice to sleep in and not hear the call, "Back to School". But you are still needed to assist, help, and give advice when you are able.

Let me encourage all treasurers to begin using the new format of the Financial Forms (Excel workbook spreadsheets) for your chapter financial documents. Inputting data into the Revenue and Expenses tabs are intended to keep "up to date" monthly and will automatically populate the data for the Cash Flow, Balance Sheet and Budget tabs. Then in May 2022 at the end of the physical year, the year end report has already been completed. Just click and print.

Reminders -

- 1) Chapter and District Treasurers - establish a Budget Committee meeting to prepare your 2021-2022 Budget.
- 2) Be sure to file online the 990-N IRS e-Postcard and send a copy of the Confirmation to your State Treasurer by Oct. 15, 2021. This is a Cornucopia requirement for Timely Reporting. You do not have to wait to file the 990-N IRS e-Postcard. Go ahead and complete this task before your school year and your monthly chapter Alpha Delta Kappa meetings begin. Your State Treasurer would love to announce that Georgia chapters are 100% complete with filing the 990-N IRS e-Postcard at the September State Executive Board Meeting.
- 3) Be sure that your 2020-2021 Financial Documents have been audited. Your chapter or district Audit Committee can do this.

ALPHA DELTA KAPPA MONTH

Text by Lynn Malloy Fuller

You worked miracles in 2020! I can't wait to see what you achieve in 2021! The sacrifices you made, the lives you touched AND the multitude of things accomplished during the pandemic were outstanding! I applaud each and every chapter for making Georgia 100% during Alpha Delta Kappa Month. During August, I will be compiling a list of "things to do" in each category which I will send to the District Chairmen for them to pass on to their chapters. I'm so proud of my Georgia sisters and your capabilities to endure...no matter what the situation!! Remember, I'm just as close as your call, text or email! Please don't hesitate to get in touch with any question you might have.

DISASTER RELIEF

Text by Sara Ratliff, Disaster Relief Chair

Hello Sisters.

I hope you are enjoying these last days of summer break. It has stopped raining here in North Georgia and it is hot and humid. It may be just like that where you are.

As we gear back up after a wonderful International Convention to start our District meetings once again, I hope you are thinking about making a donation to the Disaster Relief fund. We are offering a sterling silver necklace with tiny diamonds in the shape of the infinity symbol. Once again we are offering tickets for one dollar each or six for five dollars. If you want to send me your address labels along with your money, I will get your name on your tickets.

I'm sure you are aware that hurricane season is upon us. The sisters in California are dealing with horrific wild fires. We are just beginning to get some of the smoke in our area. I cannot imagine what they are going through. I am so thankful to those who started this program for Georgia sisters to be able to help Georgia sisters as well as Gulf sisters. You have always been so generous and I know that we can count on you for your continued support. We never know when a catastrophic event will occur and we want to be ready to get aid to those who are in need quickly.

Thank you again for your generous continuing support. I look forward to seeing you soon.

GA State altruistic Project:
Ronald McDonald House (RMH)

In 1998, the Ronald McDonald House in Georgia was chosen as the state altruistic project. The purpose of these houses is to give a free place for families with sick children to stay. A warm meal is provided each evening and a cold meal at breakfast. The houses are located near children's hospitals. There are five in GA: Albany, Atlanta, Augusta, Macon, and Savannah. To qualify to use these services, a family must live more than fifty miles from the hospital, as a one-day trip to the hospital would be difficult at that distance, especially if their child has to be admitted for several days or longer. Of course, these families are very grateful for a place to stay and the houses usually fill up quickly. One of the benefits of using RMH is the support families give each other while they are there. Many of our Georgia sisters who live near these houses volunteer in a variety of ways. Thanks for all the support you have given through the years.

GET TO KNOW WENDY GREY

by Wendy Grey, Newsletter Committee

I am excited to join the newsletter committee! I earned my BSEd, MEd, and EdS degrees from the University of West Georgia. I began my career in 1985 as a teacher in Douglas County. I taught 1st, 2nd, and 4th grades before joining the technology department. In 2010, I joined the Georgia Department of Education as a Program Manager for Instructional Technology. Upon retiring in 2015, I went back to my first love - TEACHING! I became a full-time ECCE Instructor at West Georgia Technical College. I also teach English to children in China with VIPKid to work with little ones. Additionally, I teach the Online Teaching Endorsement with Metro RESA. I plan to teach as long as I am able and having fun! My husband, John, and I have been married for 38 years.

We love spending time with our family, particularly our four grandchildren, and dog. I also enjoy reading, movies and HGTV! I joined Alpha Delta Kappa in October 1991 and currently serve as President-Elect for Alpha Sigma Chapter, Marietta District. I have previously served as President, Membership Chair, and Secretary. I have recently joined the state newsletter committee. I love the sisterhood, fellowship, friendship, and altruism of Alpha Delta Kappa!

WORLD UNDERSTANDING

Text by Ruth Rennick, World Understanding Chair

Congratulations to Project C.H.E.A.R, our 2021-2023 World Understanding Project! All sisters had the opportunity to vote in June on the three proposals and the winner was announced at our first virtual International Convention in July. Project C.H.E.A.R. stands for "Making a Children's Home with Education and Agriculture a Reality in Tanzania." Tanzania is a country in East Africa with a population of over 58 million people. This project is aimed at building a 44-bed children's home and a school with at least two classrooms, a technology media center, and library. Funds raised will also assist in developing agricultural areas with gardens, fruit trees, and livestock. These agricultural areas will allow learning opportunities for the children, as well as helping the children's home to become self-sustaining. We, as Alpha Delta Kappa sisters, now have a project to focus on this next biennium to show our love and support for others. World Understanding is one of our founding and guiding principles, so let's all work together and make it a reality by supporting our new World Understanding Project. More information will be shared in the coming months on ways you can support the new project. You can start by looking for ways to share information with your chapter about Tanzania and its people, as well as the Harambee Foundation, a 501(c)3 nonprofit public charity who is working with the government registered local community of Bambati, Tanzania where our project will be located.

Our Jacqueline Loughheed World Understanding Lecturer for the 32nd International Convention was Avril Benoit. Avril is the Executive Director of *Doctor Without Borders/Medecins Sans Frontiers* in the United States (MSF-USA) and has worked with this organization since 2006 in various capacities. She was an inspiring speaker and if you missed her session, it's definitely worth watching. The biggest takeaway I had was the similarity in the key philosophies of her organization and ours, as educators. Here are the key philosophies she shared: Discussion-Based Management, Collective Decision Making, Consider other Views, Reflect on Mistakes, Decision-Making at the Lowest Level, and Be Adaptable. Our Alpha Delta Kappa organization, being made up entirely of educators shares these same philosophies. Thanks to Judy Ganzert and her wonderful team that put together this virtual International Convention -- something that had never been done before, but turned out to be amazing. Hopefully, we will all get to be together in person for future International/State Conventions and Regional Conferences; but knowing we can adapt, if needed, makes me proud.

SCHOLARSHIPS AND GRANTS

Text and photo by Shannon Cole

Greetings everyone! As many of us are still actively teaching, I hope you all have a safe and as routine as possible school year. If lucky, your system does not report back until after Labor Day and you can still enjoy the last few days of summer.

Three things for this month: 1) Looking to update the Scholarship Scrapbook before State Convention next Spring. The last entry is from 2004-2005. If you received a GA Alpha Delta Kappa scholarship, please send me your name, your chapter, and 3-5 sentences about you for any sister perusing through the scrapbook to learn a little about you, our fellow GA Alpha Delta Kappa sister;

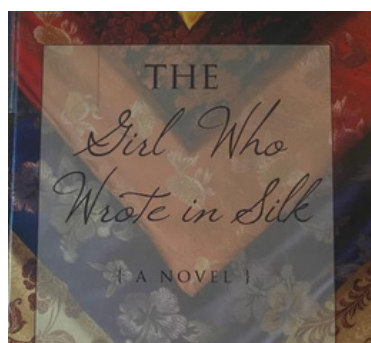

2) If you previously served as a Vice President for Scholarship, be a dear and shoot me an email with your name, the biennium you held the position, and a photo of you, especially if served after 2005. The scrapbook in my possession covers 1991-2005; 3) Does one exist for the years prior to 1991? If it does, would you be so kind as to advise who has it, so that we can make sure it can be displayed in the archive room if we are not virtual in the Spring.

Lastly if your district has a scholarship that is unique to and solely for your district and you would like for me to put out a reminder for your District sisters, feel free to send me email/text or give me a call. This month I got a call about a scholarship given out only in Decatur District. I am looking into the details for the sister that reached out, but in the meantime, Decatur sisters, be thinking about candidates for Decatur District's Lila McGahee Scholarship. Lila McGahee was a member of Beta Chapter.

PAGES AND PEARLS BOOK CLUB

with Jennifer Smith, Dalton District Chairman

The Pages and Pearls Book Club is a community in Alpha Delta Kappa Connect. You may join our book club to receive information and be a part of this fun, book-reading, literacy-loving group of sisters. The August book selection is *"THE GIRL WHO WROTE IN SILK"*, by Kelli Estes. This is a historical fiction novel. A summary: Inara is exploring her deceased aunt's island estate when she finds an elaborately stitched piece of fabric that holds secrets. Inara's life becomes interwoven with a young Chinese girl, who was driven from her home a century before. The Zoom book chat will be held on August 19, 2021. We have many other exciting "extra strand of pearls" events and activities scheduled. For more information, contact Jennifer Smith at 77jennifersusiesmith@gmail.com or 423 504-5727. It's that time of the year—time for teachers and students to begin anew and time for Alpha Delta Kappa meetings to resume this month or next. I love the fact that we get to start over each year. We have an opportunity to change things we weren't satisfied with and implement new and exciting activities along with the tried and true.

The vast majority of chapters have as a membership goal to recruit 1-2 new members, retain all current members and reinstate as least one former member. As noted previously, Georgia chapters were successful, even during COVID, in initiating new members. Chapters credited personal contacts, hosting meet and greets, hosting fun events and great programs, inviting a pair of good friends, adopting a classroom and/or school to provide assistance, offering scholarships, showcasing the benefits of AΔK to active teachers and finding altruistic activities that speak to prospective members. Yet others have reached out to those in nontraditional roles--counselors, speech therapists, college and technical school faculty, etc. What are your membership goals and what do you have planned that will serve as a magnet to attract new members?

As noted in the Membership Development Manual, members who are welcomed, informed, advised, involved, recognized, and who feel the organization is benefitting the teaching profession tend to renew their membership year after year. Here's hoping that this is your best membership year ever!

TECHNOLOGY UPDATE

with Dawn Hudson, Telecommunications Chair

Hopefully many of you were able to attend the International Virtual Conference this year. I felt as a new sister in our organization that we have advanced in huge strides with our use of technology although it sadly has taken a pandemic to force our learning curve for Zoom and other platforms for virtual communication.

Although the conference was spread out over a two week period to allow for time differences with connecting sisters literally across the globe, it was done in a way to be beneficial to all attending. It also allowed those sisters who are usually unable to travel to attend for the first time ever or in many years. I think locally we are seeing the same thing with sisters who are in nursing homes and long term care units being able to participate once again.

As you see by my photo on the right, a new trend for these conferences and meetings is a virtual photo booth. International had one set up so that you had several backgrounds to choose from and stickers to add later. It automatically added the conference logo in the corner of the photo.

This is something you can do locally at your meetings or district events if you make a photo background with your chapter/district logo for photos. Additionally, these can then be used too as a Zoom background. Have fun with the technology!

WHAT A GREAT TIME TO BE A PART OF AΔK !

I want to encourage you to read the AΔK All Member Community email sent out daily from International if you are not doing so already on a regular basis. If you are not receiving this, please let me know. You will find many sisters throughout AΔK willing to present programs via zoom if you only ask. This community resource is helping sisters work smarter and not harder by sharing ideas, suggestions and support for each other. If you have a program you are willing to present, please post it as well. What a great way to network and meet new sisters! If you have a question about a topic, just ask and you will get a response! It may come from Florida, Canada, VA or California! New perspectives are always fun to hear. I also read where chapters meet together to share speakers and get to know each other better. What a great idea!

I hope you will enjoy hearing about our FIRST International Virtual Convention when you meet in September. If possible, you may want to set up a REWATCH PARTY during September. The sessions were informative, educational, entertaining and brought us many things to think about as we move into 2021-22 and beyond.

Mark your calendars now for April 22-24 and start making plans to attend our 2022 State Convention in Callaway Gardens. Look for more information as we move along with our plans. What we do know now is that it will be...

A CELEBRATION for sure!

Wishing you a great second year of the biennium!

Love to all, Debbie
