Closing Statement/Goal

It is a pleasure and honor to have the responsibility of being Chairman of Alpha Delta Kappa Month.

The reports last year were outstanding. The sisters in each and every chapter are amazing! Meeting and encouraging chapter presidents with their activities and reports has been a joy. My goal, again, will be for Georgia to be 100% in turning in their wonderful reports by December 1st, assisting each chapter in way needed. Georgia is so blessed to have such a fine caliber of Alpha Delta Kappa sisters!
