

The Heartbeat of Georgia Alpha Delta Kappa

by Terri Thompson

April 2025

Volume I

Issue 10

I believe Spring has sprung! And this is no April fools joke! The days are warmer and the sun sets later and later in the day. The trees and flowers are exploding with vibrant colored blooms. Pollen from this new growth has taken over. A sea of yellow “dust” coats all and anything outdoors.

The term spring by definition is a period of growth, recovery, regeneration and new beginnings. In Alpha Delta Kappa, the spring signifies the last few months of our year and reporting period. It is a time for chapters to finish the year strong completing reports to Headquarters and Georgia AΔK. Please remember the requirements for the Georgia Cornucopia Award this first year of our biennium. They can be found on the GA AΔK website - www.gaalphadeltakappa.org in the Library → Documents → 2024-2026 Policies & Procedures Manual Georgia Alpha Delta Kappa. Once these reports are completed, our first year of this biennium will be finished. It will be time to begin again - “spring” into action for year two.

I hope each member is planning to attend Georgia FUN Day May 3rd in Macon. The planning committee has a jam-packed day filled with altruism, ways & means sales, singing, dancing and a whole lot of FUN!

Looking forward to seeing you in Macon at FUN Day!

As we honor our traditions, let's remember to
“Focus on the Future” in Georgia Alpha Delta Kappa!

Tributes to Anita Cole from Georgia Past State Presidents

Anita at Beta Sigma Chapter's
50th Celebration October 8, 2024

Anita served as Georgia State President from 1998-2000. It was my honor to serve as her Historian. I was completely new to state leadership but she always made me feel so special. As the state historian, I traveled with Anita all over the state attending district meetings, training sessions, and other events so I could capture Anita and the sisters in action. At this time, the press book was in reality the press BOOKS since there was so much information to include, it took two books. Anita always called them "The Twins." She was so gracious to me and made me see the many positives that serving in leadership brought to me. I enjoyed my time with her and appreciate all she did to make Georgia Alpha Delta Kappa "a light to all the lands." Her logo involved clocks and hour glasses of all kinds. Imagine how much fun I had creating her press books. She will be missed and her legacy will live on.

June Bellamy

Anita Cole will be greatly missed at Decatur District and State Meetings. She was not afraid to state her opinions. The last time I saw her was at Beta Sigma Chapter's 50th Anniversary Celebration. As frail as she was, when her daughter came to take her home she hopped up into her daughter's big Ford pickup without help. Anita was so proud of her chapter and the altruistic projects they supported. During phone calls with her, she would tell me about the chapter meeting at the funeral home social room and the wonderful caterer. She also liked to talk about her time in Texas. I will miss those phone calls. I recall one evaluation I received when I planned Fun Day in 2018. It said I enjoyed the day, thanked me for planning the event and then stated her opinion. The evaluation form was not signed but I just knew it was Anita's form. Anita was a blessing to Georgia Alpha Delta Kappa. She and Carolyn Burnett are probably talking about all the trips and good times they had in Alpha Delta Kappa. Anita, you were loved!

Norma Rushing

Anita Cole and I traveled together throughout our state many times, beginning when she was our State President. She had a true love for Alpha Delta Kappa, and she wanted things done the "right" way, which was usually "her" way. I'll miss sitting and standing beside her in our Presidential lineup. And will never forget that wide grin on her face the last time I saw her, when she was already in hospice care. She will be missed.

Linda Chambers

The place at the Alpha Delta Kappa table cannot be filled as Anita has joined the Heavenly feast. She was a promoter and loved Alpha Delta Kappa. When I think of Anita Cole, I remember a lovely lady who fostered many projects that have made a better world. Her two years as Georgia Alpha Delta Kappa President were filled with altruism. She loved helping the needy and had her AΔK sisters follow her lead. Georgia AΔK did not have a state altruistic project. The Ronald McDonald Houses were being established in many cities. Anita proposed that GA AΔK register to become a patron. As a result of the many contributions made to the RMH, Georgia AΔK shares a room in the Macon Ronald McDonald House named for the organization.

Anita loved her AΔK sisters. She enjoyed when new members joined her chapter. She and I were good friends. She stayed with me when attending South Georgia Chapter and District meetings. She was a great advisor when I was State President. Rest well Anita, GA AΔK misses you!

Hazel Stanton

I remember traveling to Tri-District with Gayle Owen and Anita. Gayle had a larger car so we rode together. We picked up Anita and off we go. We shared stories, laughter and tears. I'll never forget Gayle telling me that when Anita gets in the car, no more political discussions! In order to stay friends, some things didn't need to be shared! Anita was so much like my grandmother. I loved her dearly and she will be missed.

Debbie Clark

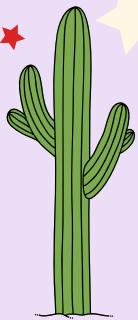

Anita was one of a kind, she made me smile and shake my head at the same time! But oh she had ideas to share and did not mind doing so regardless of where she was or who was with her! Once she called me and said "I am not being kept informed. I have not gotten any information, what is happening with GA AΔK"? She had stopped using her email! We talked about an hour and she was all caught up, happy and said "Guess I let you have it didn't I, sorry! I am happy to check my email once a month now. But you could call me and let me know what is happening, that would be easier for me!"

I loved listening to her and seeing her laugh as she shared fun times from the past with Linda Chambers last month. You could feel the love she had for both Alpha Delta Kappa and Linda. Anita's lively spirit will be missed by many.

DISASTER RELIEF

Thank You, Thank You, THANK YOU!!! You Georgia sisters have been so generous to Disaster Relief at your February and March spring district meetings! We appreciate your making contributions and buying chances on the Coach purse, donated by Alpha Epsilon's Sherry McKie. There will also be a Disaster Relief table at the April meeting, so all you sisters who have your spring district meetings coming up have an opportunity to contribute, too! As you know, through Disaster Relief funds, Georgia Alpha Delta Kappa has donated \$500 grants to 12 sisters since September and sent donations to other states in need. Thanks again and we look forward to seeing you at Fun Day when the winner of the Coach purse will be announced.

We thank you for the opportunity to serve you as Disaster Relief co-chairs.
We also appreciate your monetary donations for those in need!

What Kind of Alpha Delta Kappa Sister Member Are You?

Do you ever catch yourself wondering what kind of sister you are? Or ever wonder what kind of sister you are around? At times, we wonder if sisters are interested in more, or what role each sister has played in their organization. This FUN activity lets the sister design their own Glyph or a character picture. You can pass out the packet of glyphs and have the sisters design their own face based on their answers. This is a fun and different activity that helps us get to know our sisters a little better and helps us to know if any sisters may be considering holding an office or a higher office than they currently hold in Alpha Delta Kappa. This is an easy, non-threatening way to determine interest in any of those positions that a sister may not vocally express. You may find that you have a sister that is willing to take on an officer position that you were unaware of before. Have fun with your face glyphs!

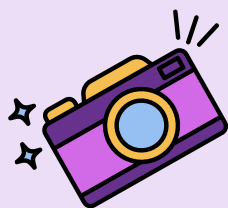

To access this activity page go directly to our state website Fraternity Education page (under Members) where we have posted a copy here: <https://gaalphadeltakappa.org/fraternity-education/>
